DIV. OF AG. RESOURCES

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner that is inconsistent with its labeling.

**PEAS (For Export Only)** - To aid in the control of downy mildew.

Application of CURZATE® 60DF Fungicide at the recommended rate of 0.53 ounces per 100 pounds of seed should be made using standard mechanical, slurry or mist-type seed treatment equipment. Uniform application to seed is necessary to ensure seed safety and best disease protection. Product should be diluted with sufficient water to give an applied slurry rate of 8-10 fluid ounces per 100 pounds of seed.

**Seed Labeling:** Treated seed must be labeled "For Export Only - Not to be sold or offered for sale in the United States."

Do not apply this product through any type of irrigation system.

**PERSONAL PROTECTIVE EQUIPMENT:**

Applicators and other handlers must wear waterproof gloves, long-sleeved shirt and long pants, shoes plus socks.

Keep and wash PPE separately from other laundry. Discard clothing or other absorbent materials that have been drenched or heavily contaminated with this product's concentrate. Do not reuse them.

This bulletin must be in the possession of the user at the time of pesticide application.

Do not use treated seed for feed, food or oil purposes.

The U.S. Seed Act requires that treated seed be labeled with the following information: This seed treated with cymoxanil. Do not use treated seed for food, feed, or oil purposes. Use with an EPA-approved dye which imparts an unnatural color to the seed.

**IMPORTANT**

**BEFORE USING CURZATE® 60DF, READ AND FOLLOW ALL APPLICABLE DIRECTIONS, RESTRICTIONS AND PRECAUTIONS ON THE EPA-REGISTERED LABEL.**

This bulletin contains new or supplemental instructions for use of this product which may not appear on the EPA-registered package label. Follow the instructions carefully.

Follow all applicable directions, restrictions, Worker Protection Standard requirements, and precautions on the EPA registered label.

**This bulletin for CURZATE® 60DF Fungicide must not be distributed or used in accordance with this SLN registration after December 31, 2005.**
